
Student Threat Assessment and Management System

Student Interview - Level 1

Step 1: Directions for Case Manager:

This interview is only to be conducted by an administrator, SRO, or school counselor as a supplement to the Level 1 Assessment Protocol. Address the following questions through an interview or open-ended inquiry with the student or students of concern (who is/are in a situation that poses a threat).

Do **NOT** ask the student to read and complete the questions by themselves.

Although the student can provide crucial information regarding a situation, do not delay the Level 1 Assessment if the student is not available or is unwilling to participate.

The following is an examination of current circumstances, and as these circumstances change, so too does concern for aggression; therefore, review the results of this interview while being mindful of supervision, intervention, and the passage of time.
