

PACE Risk Management Services Currently Available

Despite the challenging times we are currently living in, PACE remains confident that our members are continuing to deliver quality educational programs and services while mitigating potential risks to facilities, operations, staff, students, and patrons. As the country's rallying cry has become "*We are all in this together*", the PACE Risk Management Department wants to remind each of you that our consultants stand ready, willing, and able to address your loss control needs.

Risk Management is prepared to:

- Offer risk management consultation via email, telephone, and/or video chat.
- Assist with school safety initiatives (e.g. Campus Security, Emergency Response, Nonviolent Crisis Intervention, Bullying Prevention, Crime Prevention Through Environmental Design (CPTED), etc.).
- Provide technical assistance and sample documents.
- Conduct virtual risk management trainings for you and your staff. [List of available trainings.](#)
- Facilitate virtual meetings regarding any risk-related questions, comments or concerns which you may have.

Other Risk Management Services Available:

- SafeSchools and SafeColleges online trainings through your entity's training website. [List of trainings.](#)
- Live/recorded webinars which can be found on the [PACE website](#) (you will need to create a login to access these). We have added several newly updated presentations to our webinar catalogue since the advent of the COVID-19 pandemic.
- There are still seats available in our [online drone training](#) program if you are looking to implement your own drone program.

We want all of you to know even during this period of uncertainty, your PACE Risk Management team is here to support you. If you need assistance with anything risk related, please reach out to us at riskmanagement@sdao.com. What can we do for you today?
