

# RISK MANAGEMENT SERVICES

PACE Risk Management is proud to partner with our members as they work to mitigate risks to their operations and patrons. Our team's mission is to identify your needs and help you implement strategies to prevent and mitigate losses. We do this by offering our members the following services, tools and resources.

## **Property walkthroughs**

Multifaceted inspections to help identify and raise awareness of liability and property-related risks

## **Playground inspections**

Inspections to identify risks and assist members in conducting their own ongoing inspections

## **Specialized in-person training**

Hour-long trainings on athletic liability, playground supervision, SAM prevention, school hazard awareness, etc. [View the full list of trainings.](#)

## **Webinars**

Trainings related to liability, playground hazards and property at a convenient location – your own desk. Past webinar recordings are available on the [PACE website](#).

## **Regional SAM training**

Training and resources to reduce sex abuse and molestation (SAM)

## **Bus driver training**

ODE-approved defensive driving training with continuing education units

## **Cybersecurity training**

SafeSchools (Vector Solutions) trainings

## **Bio-Med**

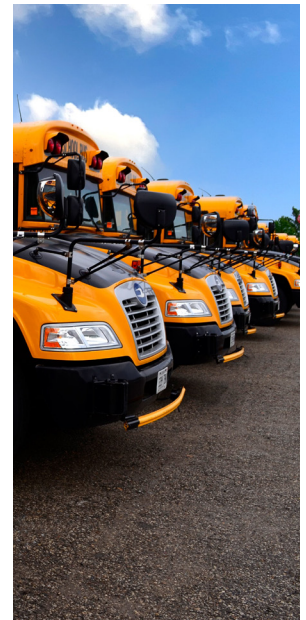

Five free background checks and drug tests per year

## **Drone photos**

Drone flights to inspect roofs and take property photos

## **Online resources**

Multiple Quick Reference Guides and Sample Checklists are available in [the online resource library](#).

We want to reiterate the SDAO Risk Management Team is here to support you. If you need assistance with anything risk related, please contact us at [riskmanagement@sdao.com](mailto:riskmanagement@sdao.com). All resources listed above are available on the [PACE website](#).
